WORKSHOP DESCRIPTION:
This Prevent-Teach-Reinforce for Young Children (PTR-YC) workshop prepares participants to use the highly effective approach drawn from research and the principles of applied behavior analysis and positive behavior support. The reader-friendly guidebook shows you how to improve the social-emotional development and prevent challenging behaviors of young children in preschool settings by:

• Preventing behavior problems
• Teaching proactive communication and social skills
• Reinforcing positive behavior

Prevent-Teach-Reinforce for Young Children will help you

• resolve persistent challenging behaviors
• address problem behaviors common in younger children
• set individualized goals for children
• conduct family-centered assessment and intervention
• help children with and without disabilities
• work effectively with diverse families
• collect reliable data and use it to inform next steps
